

Diversity, Equity, and Inclusion Checklist for Developing an Educational Activity

Educational Activity

- Educational activity includes planners and speakers from underrepresented groups and gender identities?
- Educational activity includes information pertaining to different identities: ethnicity, race, gender, sexual orientation, and religion?
- Educational activity promotes understanding of diverse perspectives, including the values, attitudes and behaviors that support cultural pluralism?
- Educational activity addresses the causes of health disparities related to this topic?
- Is the educational activity sensitive to those who may experience systemic barriers?

Content/Presentation

- Content/presentation depicts images of diversity in terms of race, ethnicity, gender, and ability
- Content/presentation avoid images and words that reinforce stereotypes that point toward all people of a specific ethnic group or race.
- Content considered individuals and communities from diverse backgrounds
- Content sensitive to those who may experience systematic barriers
