Profile

Profile allows users to complete their profile to ensure that the proper CE credit will generate upon CE activity completion. Important: All fields within Profile that are denoted with an * must be completed.

Transcript

Transcript allows the user to manage their transcript records, both those CE activities completed in CloudCME or external CE activities that are appended to the CloudCME transcript by the user.

Evaluations &
Certificates

Evaluation and Certificates allows the user to access and complete a CE activity evaluation and access the activity certificate of completion.

Registrations &
Receipts

Registration and Receipts allows users to view the CE activities for which they have registered to attend.

Claim Credit

Claim Credit allows a user to claim credit for an activity they attend but did not receive credit for. The user must enter in the activity ID number provided by the activity coordinator. Once the activity ID has been entered, click “Verify Event ID”

Tests

Tests allows the user to access activity tests that must be completed for successful activity completion.

Syllabus

Syllabus allows users to view the activity agenda and view the presentations for activities they have registered for
